

# KNP helps neighbors flourish

## To the Editor:

Kearsarge Neighborhood Partners (KNP) is a new nonprofit dedicated to building a community where neighbors help each other flourish. Partnering with local organizations and volunteers, KNP embraces the power of interpersonal relationships, walking beside people who are facing difficulty for as long as they want or need, while they move toward a more stable footing in life.

KNP hopes to help weave a net of local support for all of our neighbors. We collaborate and connect with many existing organizations, matching the needs of neighbors and the needs of organizations in our region, with a list of committed KNP volunteers who can help in short-term or longer-term situations. In this time of uncertainty we are especially committed to helping people navigate issues of food insecurity, transportation, financial loss, loneliness and isolation.

We would love to have you as an official KNP volunteer! If you would be willing to help meet needs within the Kearsarge region, please go to our new website: [KNPnh.org](http://KNPnh.org). On the Home page, click on Neigh-

bors Willing to Help. That link will take you directly to a simple form which will give you an opportunity to check off what types of activities you might be interested in helping with. That will, in turn, allow us to email you only when there is a need in our community that matches one of your interests.

If you would like to know more about Kearsarge Neighborhood Partners, we invite you to look through our website, [KNPnh.org](http://KNPnh.org), and to check out the Kearsarge Neighborhood Partners Facebook page.

If you have questions about registering as a KNP volunteer, please call KNP at 317-5900, ext. 2. We look forward to working with you to build a web of support throughout the Kearsarge neighborhood!
