

KNP Konnections

From Our Editor, Nancy Allenby

KNP continues to evolve and adapt as we grow and learn about the needs in our region. This issue will give you a window into how we now structure our efforts, and will introduce some of the folks who help our volunteers to do the amazing work that they do.

A New Treasurer for KNP

HARDY HASENFUSS has been with KNP since its inception, and has been our treasurer for the first six months. We extend a heart-felt thank you to Hardy for getting KNP's finances up and running! He will continue to serve on the Board of Directors.

PATSY STEVERSON has graciously agreed to join the Board, and to assume the Treasurer's position. A native of New London, Patsy and her husband Greg returned to her hometown to raise their 2 children. After 10 years in banking, Patsy has worked for many years doing bookkeeping for local businesses. Thanks for joining our team, Patsy!

Volunteer Leadership

We're very pleased to introduce our two new KNP Volunteer Co-Chairs. You'll be hearing more from them!

JANE PEEL is a Realtor with Four Seasons Sotheby's International Realty in their New London office. In addition to KNP she is involved with the KLS Food Pantry, The Fells, and the Lake Sunapee Region VNA & Hospice. She has 2 grown children, and resides in Georges Mills with her husband Doug.

FRONCIE QUINN is a transplanted Ohioan, coming to New London with her husband Mike after raising their two daughters in Vermont. She enjoys reaching out to those who need a little help, and KNP has provided a perfect vehicle for that. Froncie appreciates this opportunity to network with caring volunteers.

CINDY JOHNSON and CINDY BENSON, both instrumental in founding KNP, now serve as co-chairs of the KNP Coaches, a group of volunteers who work with Neighbors on a longer-term basis to help stabilize their lives. We're SO grateful to "The Cindy's" for diligently tending to our dedicated Coaches!

Time for a Check-In!

- Did you know that in 8 months, **KNP volunteers have performed 638 "person-hours" of service?** PLEASE make sure you *check in* each time you touch a Neighbor's life so we can track the impact of volunteers in our community. This is helpful when we apply for grants, etc. <https://knph.org/contact/checkin/>

Reminder - T-shirts Available!

- KNP T-shirts are available! Reply to this email if you'd like one. Let us know what size (Small to XL)
