

KEARSARGE NEIGHBORHOOD PARTNERS (KNP)

Established in 2020, KNP is a 501(c)(3) New Hampshire nonprofit organization dedicated to building a community where neighbors help each other flourish.

Partnering with local organizations and volunteers, KNP embraces the power of interpersonal relationships. Kearsarge Neighborhood Partners walk beside people who are facing difficulty, for as long as they want or need, while they move toward a more stable footing in life.

KNP helps to weave a net of local support for our neighbors in need. We match the needs of neighbors and local organizations with committed KNP volunteers who can help in short-term or longer-term situations.

MISSION

Kearsarge Neighborhood Partners collaborates with individuals and organizations to create a supportive community which empowers people to achieve stability in their lives.

VISION

Kearsarge Neighborhood Partners envision a community where neighbors help each other flourish and everyone has the opportunity to experience material, spiritual and relational wholeness.

Advocate Services

How Can KNP Advocates Help?

KNP Advocates walk alongside Neighbors to help connect them to the right resources and support them through the process of moving to a more stable and sustainable place in life. Advocates provide ongoing support through phone check-ins and/or personal contact. Any of the challenges below are likely to make someone a good match for KNP Advocate Services.

Neighbor Needs Help With:

- Budgeting and changing spending habits
- Applying for services (i.e. housing, utilities)
- Locating sources for debt relief
- Connecting to resources for benefits
- Alleviating food insecurity
- Accessing reliable transportation
- Creating social connections and/or family support

What Makes KNP Unique?

Our principles! We're based on developing supportive interpersonal relationships among our neighbors. We help guide neighbors toward a more stable place in life, and we try not to do things they can do for themselves. We also recognize the value of reciprocity, and we look for ways that neighbors who come seeking help, can eventually be in a position to serve others.

To Refer Neighbors in Need Neighbors must directly request the ongoing support of an Advocate.

Please do not call to refer someone on their behalf. Neighbors can call (603)317-5900 ext. 3 to speak to KNP's Advocate Intake Specialist.

****Important:** KNP is not able to partner with Neighbors experiencing mental illness, or displaying addictive, violent, disrespectful or abusive behaviors.

"Words cannot explain the thanks & gratitude for the help I received from KNP. I needed help moving and cannot explain how they pulled together as a group of kind-hearted people and helped me when I felt hopeless...my heart goes out to everyone who pulled me through the storm."

"I have never experienced people I don't even know being so kind to me. I am overwhelmed with the feeling of being cared about. I want to thank everyone for showing me there is kindness and support, in a time of darkness. Thank you from the bottom of my heart, I will never forget this."
