From Our Editor, Nancy Allenby

APRIL PREPARES HER GREEN TRAFFIC LIGHT and the world thinks, "Go!" --Christopher Morley

'Green' and 'Go' are two things we're definitely looking forward to in the northeast! With sunshine and spring growth around the corner, we hope you feel refreshed and ready to help the Kearsarge Neighborhood flourish!

Kars for Kearsarge

ACCESS TO RELIABLE TRANSPORTATION continues as a challenge to many in our area. Without a vehicle, folks can't get to work, or to important appointments and services. KNP and KREM partner in **KARS FOR KEARSARGE**: *Paving the Road to Independence*, a joint effort to help neighbors evaluate and afford repairs on an existing vehicle, or to match them with a donated vehicle. Just this week, KNP

advocates were able to help a neighbor get his car back on the road so that he can live independently. And spring is a great time to *get that extra car out of the garage!* Do you know someone who has a safe, reliable vehicle that they would like to gift to a neighbor in need? Maybe the owner is no longer driving, or they have a young adult child who has moved to the city? If so, please [let us know!](#) ANYONE can support this important program any time by [donating toward a repair.](#)

"Window Dressers" is Coming!

COLD DRAFTY WINDOWS LOOSE HEAT! KNP will be partnering with Kearsarge Climate Action to host a one-week community build of insulating window inserts with "Window Dressers," at St. Andrew's church this fall. We will be looking for builders, as well as for homes that need better window efficiency. Check out the [Window Dressers website](#) to familiarize yourself with this great program out of Maine. We will post more information about our local build as the event

gets closer!

STONE SOUP AT FIRST BAPTIST CHURCH IN NEW LONDON will feature Sunset Hill Education Institute's Carol Conforti-Adams telling about her work motivating young people, and those with disabilities. KNP will be "sharing the stage." See you there for lunch at 11:30 on March 28!

Workforce Housing Hearing

MARCH 28 AT 6:30 AT WHIPPLE HALL, a hearing about the proposed Long Meadow Commons workforce housing project in New London will take place. We invite you to attend to support affordable housing in our community!

Kearsarge Area Chamber of Commerce

THANKS TO KACC FOR THE WARM WELCOME! KNP has joined the Kearsarge Area Chamber of Commerce, participating in an after-hours event at the Kearsarge Indian Museum on Feb. 24. We made lots of good connections, and we look forward to working with other member organizations.

And Speaking of Chamber Meet and Greet...

THE LAKE SUNAPEE REGION CHAMBER hosted a "Coffee and Convo" at the New London information booth March 23. KNP is SO grateful for opportunities to get to know our local community partners!

Check-In's Are Very Important

PLEASE MAKE SURE YOU [check in](#) when you interact with a neighbor or community partner, attend a KNP meeting, etc. Thank you for finding a substitute if you can't fulfill a recurring commitment with one of our partners.

Friends of KNP can stay in the loop by subscribing to this KNP Konnections Monthly Newsletter [here](#).
