

KNP Konnections

From Our Editor, Nancy Allenby

"DON'T WAIT TO DO SOMETHING." Twenty-three year old golfer Sam Bennett has this tattoo on his arm -some of his dad's final words before losing his life to early-onset Alzheimer's. We're thankful that our volunteers, community partners and donors take this message to heart EVERY DAY, to help the Kearsarge Neighborhood flourish!

A "Gem" of a Volunteer

VOLUNTEER HEATHER TURNER wiled away the hours this winter crafting stunning handmade jewelry. She graciously shared an information table with KNP at the April 8 Warner Craft Fair and Flea Market, displaying her beautiful wares and selling them for the benefit of KNP. As a result of the jewelry sales, KNP received a generous check for \$580! Thank you, Heather, for

sharing your many talents with KNP!

"Window Dressers" IS Coming!

AFTER A FEW HICCUPS, we're happy to announce that KNP *will* be partnering with Kearsarge Climate Action to host a one-week community build of insulating window inserts with "Window Dressers," at St. Andrew's church this fall. We will be looking for builders, as well as for homes that need better window efficiency. We will post more information about our local build as the event gets closer!

Stone Soup

WE ARE MOST GRATEFUL for the opportunity to share about KNP at March 28's Stone Soup community luncheon at First Baptist Church in New London. We hope attendees can pass on the information to a neighbor!

Workforce Housing Approved

LONG MEADOW COMMONS received conditional approval from the New London Housing Commission on April 4, for 60 workforce housing units. This project should provide much-needed affordable housing in our region.

Tray it Forward!

FEED KEARSARGE HOSTS ITS 4TH ANNUAL Tray it Forward vegetable seedling distribution on May 25! The Tray it Forward program is designed to help grow more gardeners in the Kearsarge Region by providing community-sponsored seedling trays. Along with the seedling trays, the FEED Kearsarge team and community partners provide some

gardening supplies, education, and community building opportunities to help gardeners connect and have a successful growing season. Click here to [register for a tray](#). Click here to [sponsor a tray](#) so that a neighbor can receive a tray free of charge

Check-In's Are Very Important

PLEASE MAKE SURE YOU check in when you interact with a neighbor or community partner, attend a KNP meeting, etc. Thank you for finding a substitute if you can't fulfill a recurring commitment with one of our partners.
